

WS691

Systo/essensya Control-lampe 250V

Technical properties

Main electrical features

Nominal voltage	250 V
-----------------	-------

Power

Power absorbed	0.18 W
----------------	--------

Materials

Colour	red
--------	-----

RAL colour	RAL 9010 - Pure white
------------	-----------------------

Material	Copper
----------	--------

Lighting control

Type of lamp	LED
--------------	-----

Safety

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----
