

L4467VERZ

Coupling for GBA of steel galvanized

Technical properties

Dimensions

Trunking height	50 mm
-----------------	-------

Materials

Colour	zinc coated
--------	-------------

Material	Steel
----------	-------

Material group	steel
----------------	-------

Type of surface treatment	Galvanised
---------------------------	------------

Use

Junction type	Coupling part
---------------	---------------

Standards

European directive RoHS	voluntary compliance
-------------------------	----------------------

Safety

REACH conform	Yes
---------------	-----

RoHS conform	Yes
--------------	-----

Halogen free	Yes
--------------	-----

Shape

Shape	Symmetric
-------	-----------
